

My business

CEZARY STRANC

My business type

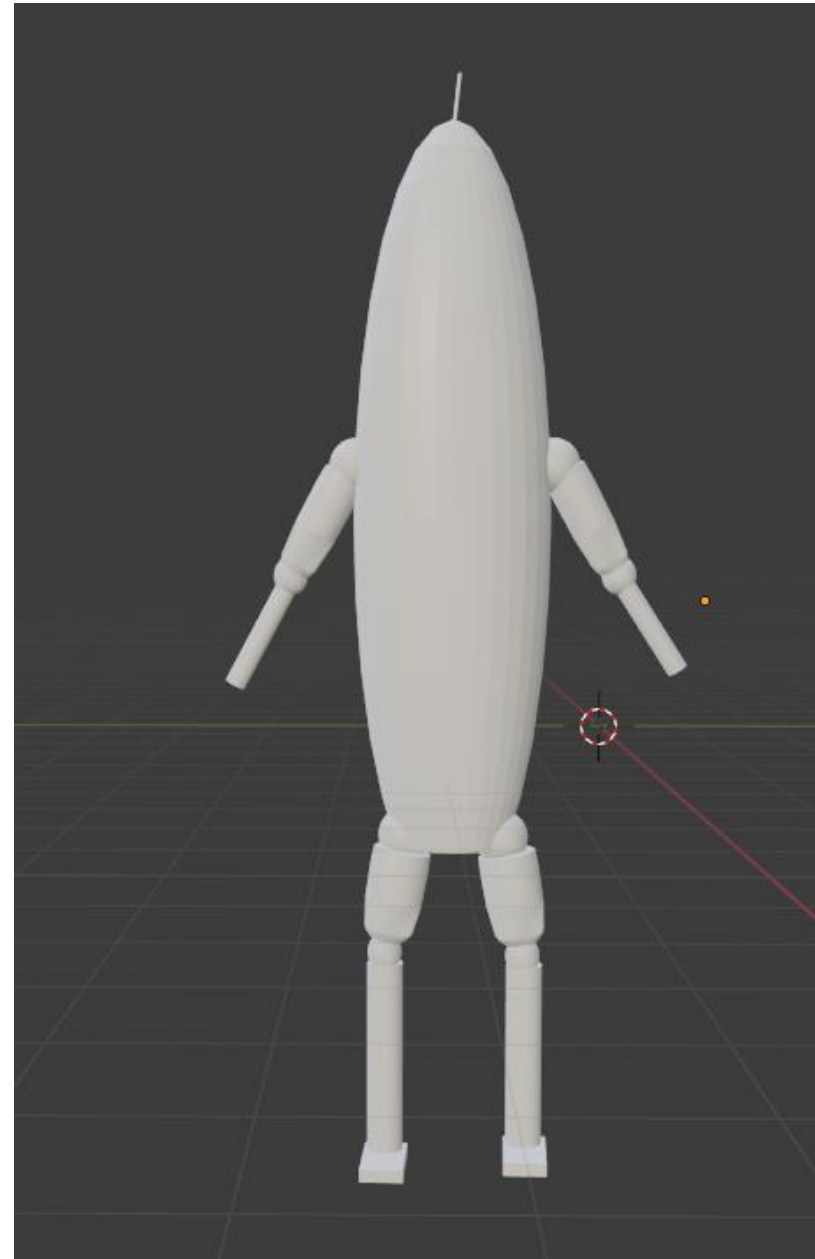

So, my business gonna be a website, where you can sell, buy and order an animations, models, pictures and more! You can also learn something about graphic and take private lessons, all you have to do, its just write to them and make a deal!

Illustrative →

What is the purpose of the website?

In short, you can learn some of graphic desing, make money and buy models for whatever you want. You can make a game, animation or a movie!

Who and where are the website users?

Website users are usually basic people, who want to make they dream come true. As I told before, you can easily make money, if you have any clue about it. The users, are around the world. You can find someone from Australia, America, Asia etc. You can also work for them, if you make a good deal!

Thanks for watching and listening!
